Ship Supplies

Blue Star Marine Services is your one-stop resource for all of your stores and provisions. Everything from a specific brand of coffee to a vital ball bearing for the machine room. We serve vessels offshore and in port, whether it is at berth, anchorages or off-port limits.

We stock a wide range of specialist products to satisfy every crew. Of course we can also arrange to stock special items that are regularly needed on request.

Our global sourcing team makes sure that economies of scale are always exploited. Provisions and stores items are sourced locally in competitive areas.

All products can be accompanied by certifications as required. With a reliable global network staffed by highly trained individuals with pertinent knowledge of the local markets, we provide supplies of every kind to all types of vessels and offshore locations.

Provisions & Bonded stores

We Supply: Cruise lines, navy ships, Oil Rigs, off shore platforms and trade vessels with provisions requirements maintaining the international health codes

Frozen prime meat, poultry, dairy products and dry stuff are sourced from famous brands from all over the world considering variation in crew nationalities to meet the different tastes

Our refrigerator trucks deliver orders at any of the Egyptian Ports.

Bonded Stores

Beverage, cigarettes, confectionary, perfumes, electronics, gifts and souvenirs are available at highly competitive prices.

Technical Stores

Our scope of technical stores covers a wide range of both local & transit products. We supply almost all cabin, deck, engine & electrical stores, etc. We store most of them in our warehouse, which enables us to supply these products with the shortest possible delivery time & very competitive price. Stocking various kinds of wire & mooring ropes and pyrotechnic equipment, which you won't easily find elsewhere in the market; puts us in an advantageous position in the marine supply sector in Turkey.
